Elounda Classic Thalassotherapy

This program is a perfect combination of all the pleasures and benefits of Thalassotherapy. Pure Thalasso rituals will help to relieve you from stress and tiredness, forget work and join the vacation spirit at once. Natural seawater extracts are used in all the different treatments, which are selected with the help of our committed staff. Take advantage of the privileges of the sea and be startled at how much it can help you feel peaceful, relaxed and rejuvenated. Six, five, three and two day programs are available.
